Company Name: ZHEJIANG QIFENG PUMP INDUSTRY CO.,LTD

**Description: ZHEJIANG QIFENG PUMP INDUSTRY CO.,LTD is located in Pump Industry Zone,well known as "town of pump industry".We are professional shielding pump manufacturer specialized in research,design production and sale.Since its establishment more than ten years,the company has to industrial and mining enterprises,municipal water supply,farming irrigation,peroleum chemical engineering,domestic water and water supply of high pipeline pump,CR series stainless multistage vertical pumps,QY series oil immersed common submersible pumps for mining,QYBL&QYL series oil immersed common corrosion resistant submersible pumps for mining,BOW series explosion protection submersible pup for mining,WQ,QW&WQD series sewage pump,AS series lacerating sewage pumps,QXNY series oil immersed internal-loaded submersible sewage pumps,QY series oil series oil immersed submersible pumps,QJ series submersible well-water pumps,KCB &2CY series gear pump for oil transmission,AFB&FB series stainless steel corrosion resistant pumps,SG,SGR,ISG,ISW,IRG,IRW,IHG,
YG∓IHGB series centrifugal pumps,QD,Q series mini type submersible pumps,QDX,QX series mini type submersible pumps,ZB series self-suction PUMPS,JET series self-suction jet pumps,G series home use pipeline pumps,QU series vibrating shielding pumps,UPA series shielding pipe pumps.Among them,UPA series shielding pipeline pumps have fully achieved the international advanced standard in most performance index.

Using advanced software such as CAD and CFD in designing,with excellent facility in production and inspection under strict quality control system,QIFENG PUMP INDUSTRY MFG CO.,LTD acquired"ISO9001,2000"standard attestation,
"CCC"chinese Compulsory Products Attestation Certificate,National Industrial Products mfg certificate,and national agricultural machinery promotion certificate.In order to promote our pumps better into domestic and european market,we're dedicated in**

preparing"MA","CE"
attestation.In early 2000,we signed contract
with"Hong Kong jiang's
Group",which accredited us with the
authority of research,manufacture and
management of jiang's products in
mainland.And in 2002,we were awarded Highest
science and technology prize with a mini type
pump of 150 grams sa the smallest pump in
China.Our products are highly appraised all
over the China for good quality,satisfying and
prompt service and excellent
reputation.

We'll keep improving
our products and service for domestic and
abroad clients with"Best
Quality","Best Service"in the
futu
